Green Building Success

Inspiring Lessons from Recessions

With Scott Bergford
Owner and CEO, Scott Homes, Inc.

- **2009 “Builder of the Year”
NAHB Energy Value Housing Award**
- **2009 “Best Small Home Design” Built
Green Washington**
- **2008 “Small Builder of the Year”
Washington State Energy Star**

With 25 years in business, Scott Homes has thrived and survived multiple economic downturns. Despite the current recession, 2008 & 2009 have been his company’s most successful years ever, being recognized as one of America’s best small green builders. Scott will share “mistakes that have made me a better builder” along with words of encouragement to our Ecobuilding community.
